

Joint Meeting of the Jackson Township Trustee
and
The Camden Town Council
September 17, 2015
6:30
Reading Room of the Camden-Jackson Twp Public Library

Present: Deb Foreman, Trustee; Brain Graf, Fireman and First Responder; Camden Town Council Richard Fite, Andy Robison and Kandance Funk, Clerk-Treasurer Pat Casserly and two guest.

Deb Foreman informed the Council the township would like to take ownership of the town's fire truck. In exchange for the truck, the town's contract for service will remain \$5,000 for 2016 then increase to \$6,000 in 2017 and to \$7,000 in 2018. Currently the town pays the yearly contract fee of \$5,000 plus insurance (about \$850/year and maintenance costs). It was mentioned the truck was bought with federal funds and before any decision is made, the regulations concerning equipment bought with the funds will need investigated.

The Council decided to take the offer under consideration and determine what action, if any, is allowed.
