

**Camden Town Council Meeting
October 3, 2014**

The Camden Town Council meeting was called to order at 3:50 p.m. by Council President, Jeff Sieber. Present were Members Richard Fite and Kandance Funk, Clerk-Treasurer Pat Casserly, Jerry Snavelly and Tom Mears.

Mr. Sieber thanked the employees for their dedication to Camden and stated a review of the budget would allow a 2% overall increase. However, the employee insurance will increase 20.6% and this will need to be addressed. To help reduce the overall cost of health insurance, the town will no longer contribute to the Health Savings Accounts, saving the town \$6,000. The Council did not want to take away any benefits but they were faced with tough budget decisions. Employees can expect to see additional changes in 2016 including possibly contributing to the cost of the insurance premium or looking at going on the national plan.

Meeting adjourned at 4:00.
