INTRODUCTION

This Title VI Implementation Plan is a part of the Town of Camden's (Town) continual and ongoing effort to proactively meet and exceed the minimum compliance requirements established under Title VI of the Civil Rights Act of 1964 (Title VI), 49 CFR § 26, and the related anti-discrimination statutes and regulations. With this Implementation Plan, the Town seeks to provide continued transparency, clarity and technical guidance for internal and external constituents regarding its Title VI program.

TOWN OF CAMDEN TITLE VI NON-DISCRIMINATION NOTICE & POLICY

The Town of Camden (Town) values each individual's civil rights and wishes to provide equal opportunity and equitable service for the citizens of this state. As a recipient of federal funds, the Town conforms to Title VI and all related statutes, regulations, and directives, which provide that no person shall be excluded from participation in, denied benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from the Town on the grounds of race, color, age, sex, sexual orientation, gender identity, disability, national origin, religion, income status or limited English proficiency. The Town further assures every effort will be made to ensure nondiscrimination in all of its programs and activities, regardless of whether those programs and activities are federally funded.

It is the policy of the Town to comply with Title VI of the Civil Rights Act of 1964; Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e; Age Discrimination Act of 1975, 42 U.S.C. §§ 6101-6107; Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 42 U.S.C. §§ 4601-4655; 1973 Federal Aid Highway Act, 23 U.S.C. § 324; Title IX of the Education Amendments of 1972, Pub. L. No. 92-318, 86 Stat. 235; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. §§ 701 *et seq.*; Civil Rights Restoration Act of 1987, Pub. L. No. 100-259, 102 Stat. 28; Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 *et seq.*; Title VIII of the Civil Rights Act 1968, 42 U.S.C. §§ 3601-3631; Exec. Order No. 12898, 59 Fed. Reg. 7629 (1994) (Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations); and Exec. Order No. 13166, 65 Fed. Reg. 50121 (2000) (Improving Access to Services for Persons with Limited English Proficiency).

The Civil Rights Restoration Act of 1987, Pub. L. No. 100-259, 102 Stat. 28, broadened the scope of Title VI coverage by expanding the definition of terms "programs or activities" to include all programs or activities of federal-aid recipients, sub-recipients and contractors/consultants, regardless of whether such programs and activities are federally assisted.

All contractors, sub-contractors and vendors who receive payments from the Town of Camden where funding originates from any Federal assistance programs are subject to the provisions of Title VI. The Town will include Title VI language, as per the Standard U.S. DOT Title VI Assurances (Appendices A, B, and C) as relevant and appropriate, in written agreements and bid notices. Written agreements relevant to Title VI shall not contain any form of discrimination, either written or implied.

Pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973, Pub. L. No. 93-112, 87 Stat. 355, the Town hereby gives assurance that no qualified disabled person shall, solely by reason of disability, be excluded from participation in, be denied the benefits of or otherwise be subjected to discrimination, including discrimination in employment, under any program or activity that receives or benefits from this federal financial assistance.

The Town of Camden also assures that every effort will be made to prevent discrimination through the impacts of its programs, policies and activities on minority and low-income populations. In addition, the Town will take reasonable steps to provide meaningful access to services for persons with limited English proficiency (LEP). The Town will, where necessary and appropriate, revise, update and incorporate nondiscrimination requirements into appropriate manuals, directives and regulations.

Whenever the Town distributes federal-aid funds to a second-tier sub-recipient, the Town will include Title VI language in all written agreements.

The following individual has been identified as the Town's Title VI and ADA Coordinator and is responsible for initiating and monitoring Title VI activities, preparing reports and performing other responsibilities, as required by 23 C.F.R. § 200 and 49 C.F.R. § 21.

ENVIRONMENTAL JUSTICE ANALYSIS & REPORTS

In accordance with Title VI of the Civil Rights Act of 1964, each Federal agency shall ensure that all programs or activities receiving Federal financial assistance that affect human health or the environment do not directly, or through other arrangements, use criteria, methods, or practices that discriminate on the basis of race, color, or national origin. Part of Title VI reads, "No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance."

The three fundamental environmental justice (EJ) principles are:

- To avoid, minimize, or mitigate disproportionately high and adverse human health and environmental effects, including social and economic effects, on minority populations and low-income populations;
- To ensure the full and fair participation by all potentially affected communities in the transportation decision-making process; and

- To prevent the denial of, reduction in, or significant delay in the receipt of benefits by minority populations and low-income populations.

The Town of Camden is committed to these three environmental justice principles in all work that the Town performs.

LIMITED ENGLISH PROFICIENCY (LEP) POLICY

On August 11, 2000, the President signed an executive order, Executive Order 13166: Improving Access to Service for Persons with Limited English Proficiency (LEP), to clarify Title VI of the Civil Rights Act of 1964. It has as its purpose, to ensure meaningful access to programs and services to otherwise eligible persons who are not proficient in the English language. In addition, The US Department of Transportation published Policy Guidance Concerning Recipients' responsibilities to Limited English Proficient Person in the December 14, 2005 Federal Register. This guidance outlines the following four factors that the City uses to access the LEP populations in the Town of Camden.

1. The number and proportion of LEP persons eligible to be served or likely to be encountered by the Town.
2. The frequency with which LEP individuals come into contact with the program, activity or service.
3. The nature and importance of the program, activity, or service provided by the program.
4. The resources available to the Town and costs.

In addition, the Town of Camden has implemented the safe harbor provision whereby it identifies and translate all vital documents into any language where the 5% threshold is met whereby 5% or more of the population in the town both:

- Does not speak English very well AND
- Primarily speaks another specific language as identified in current census data or other publically available records.

SUMMARY OF THE FOUR FACTOR ANALYSIS

Factor 1:

The number and proportion of LEP persons eligible to be served or likely to be encountered by the Town can only be estimated until the actual number of persons who can speak English less than "very well" are documented as needing assistance by Town Staff . With this Title VI Plan being in early development stages and considered a document that may need regular updates, US Census Bureau information is being used at this time. The total population is provided below

to shown general distribution of race and ethnicity in the community. The estimated number of persons that may not speak English “very well” is following in the US Census Bureau 2006-2010 American Community Survey.

The U.S. Census Bureau provides statistics from 2010 for the Town of Camden as follows:

Total population = 611

Population by Ethnicity: White Alone: 600

Black or African American: 2

American Indian or Alaska Native: 1

Two or More Races: 8

Hispanic or Latino = 0 Non-Hispanic or Latino = 611

Population by Race: 611

White = 600, African American = 2 American Indiana or Alaska Native = 1, Identified by two or more = 2.

The US Census Bureau 2012-2016 American Community Survey 5-Year Estimates under SELECTED SOCIAL CHARACTERISTICS estimates the number of people in Camden who speak a language other than English to be sixteen (16) with those speaking English less than “very well” estimated at 12.5% or approximately two (2) individuals who may be considered limited in English proficiency. The margin of error is +/-25.4% so the actual number may fluctuate from six (6) to zero (0) individuals.

According to the census numbers above there may be up to six (6) individuals who live in the Camden that may be considered as LEP. Based on actual contact between Town Staff and the community there have been no requests from anyone in the service area asking the Town to provide language translation services. Therefore, the LEP population is probably even less than the estimate shown above.

Factor 2: The frequency with which LEP individuals come into contact with the program, activity or service:

Due to no requests for translation services, there appears to be a minimal need for translation services from the Town. This may be attributed to the high percentage of younger people (100% for ages up to 17) who are available as family members for translation services.

Factor 3: The nature and importance of the program, activity, or service provided by the program:

If at any time a LEP individual requests translation services that are considered important such that denial or delay of access or services or information could have serious or even life-

threatening implications, the Town will provide, upon request, services to assist the LEP population including translation of vital Town documents and interpretation services.

Factor 4: The resources available to the Town and costs:

To ensure meaningful access to LEP persons to Town programs, activities, and services, the Town offers interpretation services on an as needed basis, if requested forty-eight (48) hours in advance. Translators are available from the Carroll County Sheriff's office and the local school corporations. This service is provided free of charge.

SUMMARY OF LEP ACCOMMODATION PLAN

- The Town of Camden strives to serve its population to the best of its ability and will provide upon request, services to assist the LEP population including translation of vital documents and interpretation services deemed necessary to provide meaningful access to City services.
- A U.S. Census Bureau I-Speak card (Appendix G) is available as part of this document. This card allows LEP individuals to communicate their preferred language to Town Staff whereas Town Staff may then access a translation service as determined by the Town.
- The Town of Camden utilizes a voluntary public involvement survey (Appendix H) to collect information regarding persons affected by proposed projects. The survey permits respondents to remain anonymous, while voluntarily answering questions regarding their gender, ethnicity, race, age, sex, disability status, and household income. Once the survey data has been collected, it will be reviewed and then the survey will be placed in a file for future reference. In the case enough surveys are collected over time to show a significant increase in LEP populations, the Town may consider changes to their LEP policy. Completed surveys shall be retained for a period of three years from the date of the meeting and/or completion of the related project, if applicable.
- The Town reviews written Title VI complaints and ensures every effort is made to resolve complaints informally at the local or regional level and review and update the Town's Title VI plan and procedures as required.
- Staff for the Town will be provided training on the requirements for providing meaningful access to services for LEP persons and new employees will receive the same training.

TITLE VI TRAINING

EMPLOYER/EMPLOYEE DISSEMINATION & TRAINING

Title VI plan and policy education and literature will be provided to all Town of Camden employees. Town employees will be required to sign an acknowledgement (Appendix I) of receipt indicating they have received and reviewed Title VI policy guidelines. New employees will be provided with education and literature at new hire orientation. Employees will be provided with updated education and literature as the Town deems necessary.

Employees will be expected to follow the Title VI policy and the guidelines set forth. In addition, Town employees should make every effort to alleviate any barriers to service or public use that would restrict public access or usage, take prompt and reasonable action to avoid or minimize discrimination incidences and immediately notify the Title VI Coordinator, in writing, of any questions, complaints or allegations of discrimination.

PUBLIC INVOLVEMENT

DATA COLLECTION

Pursuant to 23 CFR 200.9(b) (4), the Town shall collect and analyze statistical information regarding demographics to assist in monitoring and ensuring nondiscrimination in all of its programs and activities.

The Town of Camden shall utilize a voluntary Title VI public involvement survey that will be available at all public hearings and meetings. The survey will allow respondents to remain anonymous. The survey will ask questions regarding the respondent's gender, ethnicity, race, age, income and if they are disabled. The facilitator of the public hearings and meetings will make an announcement at the beginning of the meeting informing attendees of the survey and its purpose and a request will be made for the attendees to complete the voluntary survey. Completed surveys will be retained by the Title VI Coordinator for three (3) years.

The Title VI Coordinator will also collect and report statistical data for the past three (3) years as it relates to the number of federally funded projects, complaints filed and the results of those complaints, any requests for language services, demographic statistics and department compliance reviews.

COMMUNITY INVOLVEMENT & OUTREACH

Ensuring the meaningful involvement of low income, minority, disabled, senior, and other traditionally underrepresented communities is a key component of the Town's public participation activities. The Town of Camden's policies, procedures and programs are consistent with federal and state environmental justice laws, regulations and requirements, Title VI, related nondiscrimination requirements and reflect the principles of social equality and environmental justice. Social equity means ensuring that all communities are treated fairly and are given equal opportunity to participate in the planning and decision-making process, with an emphasis on ensuring that traditionally disadvantaged groups are not left behind. Environmental justice means ensuring that plans, policies, and actions do not disproportionately affect low income and minority communities.

The Town of Camden is committed to ensuring that community involvement and outreach is done in a respectful and appropriate manner that will allow for diverse involvement. Public meetings, programs and activities will provide equitable opportunities for participation.

The Town of Camden host meetings monthly and those meetings are open to the public. Any meetings that are open to the public are published on the Town's website. All Town public meetings are held in locations accessible to individuals with disabilities. Upon request, translators can be provided free of charge to those individuals with limited English proficiency. Auxiliary aids are also available upon request. Requests must be made within forty-eight (48) hours in advance.

Also published on the Town's website are various meeting minutes, notices, events and news. Additionally, notices of meetings and public hearings are posted at the Town Office and two other places of community gatherings. The local newspaper is also given proper notice of meetings and hearings.
